Located at
The Harrow Club,
187 Freston Road,
W10 6TH

Free hot food will be provided

THE ROYAL BOROUGH OF
KENSINGTON
AND CHELSEA

Access **cost of living** support and shape the future of the Grenfell Community Assembly

For the next Grenfell Community Assembly, we're partnering with **Kensington and Chelsea Social Council** to help combat the cost of living by hosting a community warm hub.

Join us for hot food and practical advice on staying warm and worry free this winter, plus the opportunity to feedback how you would like future Grenfell Community Assemblies to develop.

Information stalls will be there to offer support and services for the rising cost of living, as well as collecting your thoughts on how you would like the Assemblies to look moving forward.

Cost of living stalls will include:

- Advice on saving energy
- Welfare rights
- Financial health checks
- Information about handling money and debts

After the Assembly we will provide a written record of the feedback collected from attendees, which will be used to help shape future Grenfell Community Assembly events.

Unlike previous Assemblies there will be no formal discussion, so to get involved please drop in at any time throughout the event.
