## Fairtrade tip for June

Bananas are the favourite fruit in our grocery basket and are grown by millions of people, working on small-scale farms in tropical regions.

Some supermarkets have agreed to buy and sell **Fairtrade** bananas, that means they pay the farmers a fixed price – so the farmers won't lose money.

Fairtrade bananas have a little sticker on them.

A bunch of bananas are called a 'hand'.  
Bananas are a herb and a fruit!

## Love your Burial Ground week and Churches Count on Nature

**Sat 7th June to Sun 15th June 2025**

Love your Burial Ground Week

A celebratory week which has been running for many years. Caring for God's Acre has been encouraging all who help to look after churchyards, chapel yards and cemeteries to celebrate these fantastic places in the lovely month of June – in any way you choose.

Churches Count on Nature 2025

This runs at the same time as Love Your Burial Ground Week, and focuses on the brilliant wildlife to be found in churchyards and chapel yards.

### Colossians 1 verse 16

For in Him all things were created;  
things in heaven and on earth, visible and invisible,  
whether thrones or powers or rulers or authorities, all  
things have been created through him and for him.

**God created it all.**

**Lets give our thanks and praise to our wonderful  
creator God.**
