The difference your support will make

'Shine was amazing and helped provide much needed positivity regarding spina bifida and a life a child/adult can have.'

After her unborn baby was diagnosed with spina bifida at her 20-week scan, Emmy found Shine through a Google search and has been in contact with the charity since.

'They were able to breakdown MRI scans and doctors' reports which painted a very bleak picture and without such positivity and better statistics, Willow may not be here today'

Willow (pictured above) is now 5 and loves her chow chows, monster and mayhem. She loves going to the park with her Mummy and Daddy.

Shine provides specialist advice and support for those affected by spina bifida and hydrocephalus across England, Wales and Northern Ireland. Our work is almost entirely funded by the generosity of the general public. Any support you can give us this 'Go Yellow for Shine' day would be greatly appreciated.

If you need any help organising a fun and stress free 'Go Yellow for Shine' day, we are here to help. Contact our friendly fundraising team by emailing fundraising@shinecharity.org.uk. If you would like to find out more about the conditions, or about how Shine can support you, visit our website or email firstcontact@shinecharity.org.uk.

Thank you for your support.
